

# SAS broadens its global network with additional Delta codeshare destinations

**SAS announces the expansion of its partnership with Delta Air Lines, offering a wide range of new trans-Atlantic options and ensuring a more convenient travel experience between Scandinavia and North America.**

Starting April 2<sup>nd</sup>, 2025, customers will benefit from an expanded codeshare between SkyTeam partners SAS and Delta. The agreement will present a broader range of destinations and increased frequencies, providing a more streamlined and convenient journey.

SAS' global hub at Copenhagen Airport will obtain numerous additional flight options to the U.S., all available through a single booking. In the summer season, this includes 21 weekly departures to New York and 10 to Minneapolis. From Arlanda, departures to New York will increase by 20 flights per week.

*"We're pleased to take our partnership with Delta to the next level, making it even easier for our customers to travel the world with more choices than ever. This growth allows us to reinforce our commitment to delivering excellent service and seamless global connectivity,"* says Paul Verhagen, Chief Commercial Officer at SAS.

The expanded agreement will grant reciprocal codeshare and frequent flyer benefits, allowing travelers to earn and redeem SAS EuroBonus points or miles with Delta SkyMiles across both carriers.

**About SAS**

Scandinavia's leading airline since 1946, operates a global hub at Copenhagen Airport (CPH), complemented by hubs in Oslo (OSL) and Stockholm (ARN).

Our mission is to connect Scandinavia with the world and the world with Scandinavia. Each year, SAS serves more than 25 million passengers and transports 60,000 tons of cargo to 135 destinations across Europe, the USA, and Asia. With a relentless focus on operational excellence, SAS ranks as one of the most punctual airlines in Europe and the world. With a passionate workforce of over 10,000 colleagues, we collaborate with partners and customers to drive transformative changes in aviation. We are committed to achieving net-zero emissions by 2050, embodying the visionary spirit of our founders: "To move from the old to what is about to come, is the only tradition worth keeping." Innovation and societal progress are at the heart of everything we do.

SAS joined SkyTeam in September 2024, and together with our partner airlines, we offer a wide network worldwide. For more information, visit our website at [www.flysas.com](http://www.flysas.com) or follow us on social media for the latest updates and promotions.
